Questions about line-ups or strength rosters should be addressed to your level coordinator prior to the match! Preferably the day before!

Line-ups: Complete written singles and doubles line-ups must be exchanged by captains prior to 9:00 a.m. There can be no alterations to the line-up once play has started. If a line-up is not presented by 9:00 a.m., the first 2 games of singles on each court will be defaulted.

Forfeits: Always start in position 4; additional forfeits proceed up the lineup.

Singles Play: Singles players must be present by 9:00 a.m. If the player is not ready by 9:15 the 15-minute default rule will be applied at 9:15 for the first set and 9:30 for the second set.

Doubles play: Doubles team must be present by 10:30 a.m. The same default rule is in effect for doubles when a court becomes available after 10:30 a.m. and singles players are available for doubles play (i.e. 15-minute grace period starts when the court is available for play after 10:30).

Entering Scores: Host team is responsible for entering match scores on the website within 3 days of the match. Please do not dispute a match because of a typo, i.e., wrong score entered, wrong player, etc. If there is an issue, contact your level coordinator and have them help with corrections

Rainouts: Host team must submit 3 possible dates within 3 weeks of original match date to visiting team for make-up dates. Please notify your level coordinator once the date has been selected. Please take care of this within 24 hours of the rainout.

Cell Phones: Cell phones must be silenced (no vibration) on the court. Violation will result in loss of the game in progress or the next game if during changeover.
