If you go back to the “My Matches” page you will find the green “Edit Game” button is now a blue “View Game” button that would be the same for all players on that court. And if you click the blue “View Game” button you will see the scores that were entered and a third line is added to the Match/Court information to show who “Updated” the results, the person listed would be the last person who entered scores for that Match/Position. Also, scores cannot be edited by players. Any corrections to the scores, can be made by the Team Captains, Level Coordinators or Admin.
